

Do not use a deposit slip to verify your ABA number because it may contain your Financial Institution's internal routing numbers that are not part of the actual ABA Routing Number. Check with your financial institution to verify the correct routing number.

[Pay your Cable,Tax and Utility Bills here](#)

—

You may check the details of your Tax bill, including payments and abatements by entering the code found in the 2nd box on the back of your bill.

Code:

If expieriencing difficulties using Internet Explorer, please ☐ check the following two things on your browser's settings

1. In Internet Explorer, go to Tools ---> Internet Options --> Privacy.☐ Make sure the slider is set to Medium.☐☐

☐☐ If it is set to block cookies, then this could cause problems.

2. In Internet Explorer, go to Tools --> Internet Options --> Privacy --> Sites. The site, unipay.unibank.com can be added to☐☐☐☐☐ the☐ allowed sites.☐☐☐
